About Hsin Chong

Founded in Hong Kong in 1939, Hsin Chong Group Holdings Limited (Hsin Chong) (Stock Code: 00404.HK) is one of Asia's longest-standing construction and property groups, providing comprehensive construction, property and related services. Throughout the years, Hsin Chong's scope of construction services has grown to cover the entire spectrum of building, civil engineering, electrical and mechanical engineering, project and construction management, railway systems and property development. Hsin Chong has taken part in a wide range of major and high profile construction and infrastructure projects in Hong Kong and in the region including bridge and railways, mass residential developments, Grade-A commercial buildings, hotels and leisure projects, modern hospitals and university facilities. Its expertise has also been applied in Macau, the Mainland of China and overseas. At present, Hsin Chong is actively pursuing opportunities under the "Belt and Road" Initiative. Looking ahead, the Group is embarking on a longer term vision to diversify into developing quality, integrated living communities, healthcare and hospitality.
